

SUPREME *Affiliate* **MARKETING**

Why & What is Affiliate Marketing

Affiliate Marketing is where you (the affiliate) generate sales for some other product vendor(s) and in exchange they pay you a commission for each sale that you make.

Some affiliate programs are “continuity” programs in that they require that the customer pay a monthly fee for membership or for use of that product.

Advantages:

- Super easy to promote third party products and keep commissions (50%-100%)
- Just need to drive traffic
- No headache of product creation
- No technical knowledge required
- Can lead to “high ticket commissions”

Welcome to **Warrior +**

Follow these exact steps to start encashing from high converting offers:

The image shows a registration form for Warrior+Plus. At the top is the logo 'Warrior+Plus' in red and black. Below it is a grey box titled 'CREATE AN ACCOUNT' in red. Inside the box are three input fields: 'Username' with a person icon, 'Password' with a lock icon, and 'Email Address' with an envelope icon. Below these fields is a checkbox labeled 'Notify me of special offers and updates' which is checked. A large green button labeled 'Create Account' is positioned below the checkbox. At the bottom of the grey box, a privacy notice states: 'PRIVACY: Your personal info will never be shared.' Below the grey box, the text 'Already registered?' is followed by a blue link 'Sign In'.

Step #1: Visit www.warriorplus.com & create an account for free.

Make sure to have a working [PayPal](#) account to receive payments.

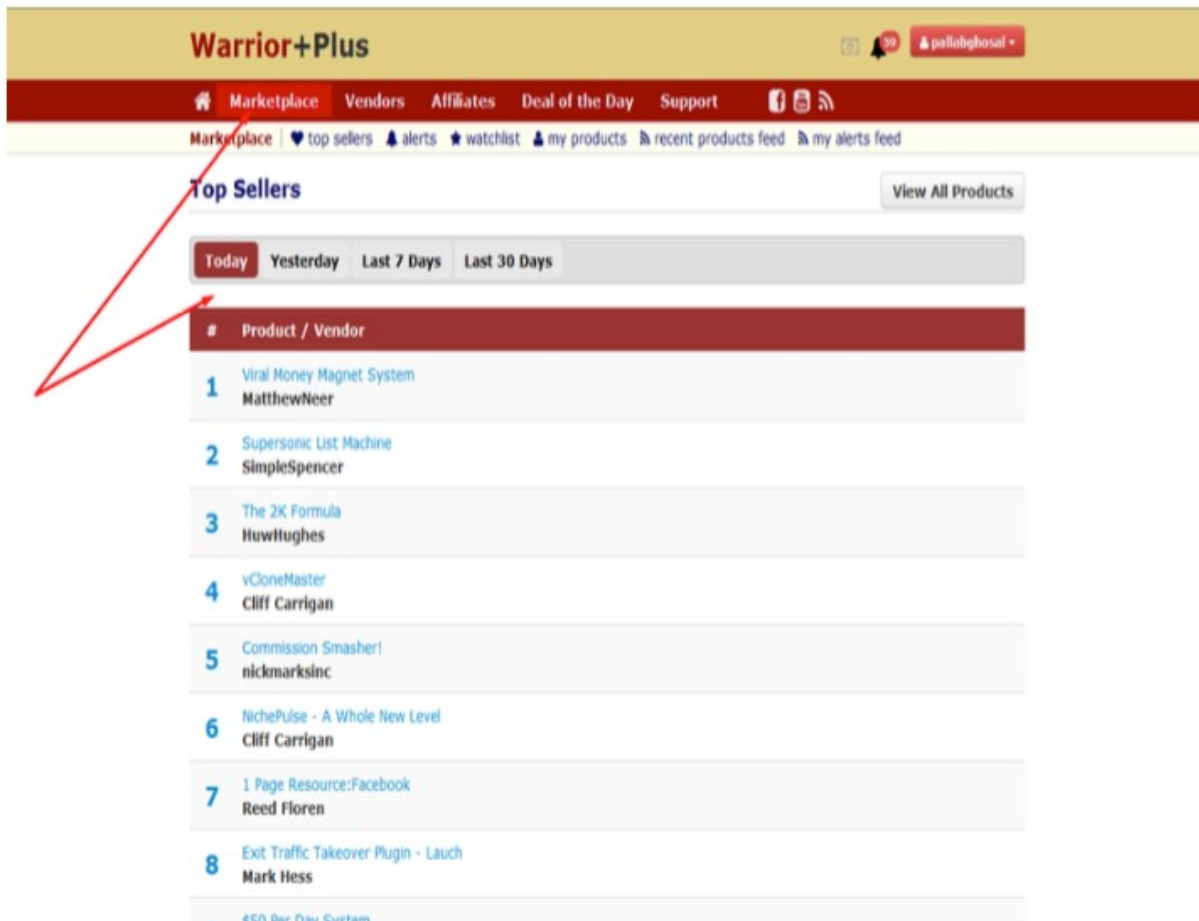

Step #2: In order to find high converting offers inside W+, click on “Affiliates” and search by either “Pulse score” or “Conv. Rate”

The screenshot shows the Warrior+Plus website interface. The top navigation bar includes links for Marketplace, Vendors, Affiliates, Deal of the Day, and Support. The 'Affiliates' section is active, showing a list of offers. A search bar is present with fields for Offer Title / Keyword and Vendor Name. A 'Sort by' dropdown menu is open, showing options like Pulse Score, Launch Date, Sales, Visitor Value, Avg. Sale, Conv. Rate, and Comm. Rate. The 'Pulse Score' option is highlighted. Below the search bar, a table of offers is displayed with columns for Product / Vendor, Launch Date, Sales, and various rates. The first offer is '\$250 Per Day Azon System' by paul nicholls, with a launch date of 2016-02-08 and a sales volume of 10+.
